

## How Much Does The Service Agreement Cost?

The cost of an annual **Service Agreement** is literally less than having your normal annual clean and check done PLUS one service call a year. You will no longer have to *remember* when to call for service, we will call you each spring and fall to schedule maintenance at a convenient time. With your cost minimized and the peace of mind of knowing your equipment is being kept in tip top running order, your annual **Service Agreement** is a bargain at the following prices:

**Air To Air Heat Pump OR  
Gas-Fired Heating  
Systems with Air Conditioning  
\$180.00/Year**

**Do you have two systems?**

Annual S/A for BOTH systems is:  
\$350.00/year
